Dear Friends:

Please accept my warm congratulations to the Los Angeles County Asian American Employees Association in celebration of Asian Pacific Islander American Heritage Month.

Since its founding, LACAAEA has been one of the premier Asian Pacific Islander American employee associations that promote Asian Pacific Islander American awareness and professional development of Los Angeles County employees. In addition, LACAAEA helps their members by providing information on employment, recruitment and appointment opportunities. With over 450 members, LACAAEA's reflects the growing number of APIA's in county government. Your outstanding work within the County fosters strong partnerships throughout our diverse communities.

Again, I congratulate LACAAEA for your contributions to the Asian Pacific Islander American Heritage Month celebrations. I wish you success in your future endeavors.

Very Truly Yours,
